September 15  
September 29

October 13  
October 20

November 3  
November 17

December 1  
December 15 –  
location TBD

## Come join us!

The format of this job club is to address a specific topic each night that will help job seekers fine-tune their strategies for finding their next job.

June 9 will feature the Council on Crime and Justice and will discuss employment when you have a criminal history. They will also provide information on the free services they offer.

When they are done, we will discuss filling out applications. We all dread that part of the employment process. What do you put when you have had multiple employers in the same time frame? How do you address gaps in employment on an application? Do you have to list ALL of your employers?

There will also be a time for sharing additional resources and networking.

Childcare is available, but you must call in prior to coming, so we can make sure we have enough staff in place.

Finding the room we are using: The room we will be using is on the right side of the building. As you face the main doors from the large parking lot, there is a smaller lot on the end of the building to the right. There are double glass doors on that side. That is where the job club will meet.

The building the church uses used to be a big box store, so if you are driving around looking for a steeple, there isn't one, but there are large signs around the outside of the building.

**We look forward to seeing you there!**
