WHAT IS TELEPHONE RECOVERY SUPPORT?

MRC's Telephone Recovery Support program is a peer-to-peer recovery support program that allows recovering people a way to give back, strengthen their own recovery, and support others who are seeking recovery. Through this program, trained MRC Volunteers call individuals seeking recovery who have requested this service to ask how their recovery is progressing and to connect them to the resources they need to achieve and maintain recovery.

WHAT WE LOOK FOR IN OUR VOLUNTEERS

- People who have who have been in recovery for approximately six months or longer
- People who want an opportunity to support others in their recovery
- People looking for a fun, flexible, supportive place to volunteer for about an hour a week
