NATIONAL RECOVERY MONTH

September 2010 will be the 21st annual **Recovery Month** observance by the U.S. Department of Health and Human Services Substance Abuse and Mental Health Service Administration, and the Center for Substance Abuse Treatment (CSAT).

Recovery Month serves to educate the public on how alcohol and drug addiction is a national health issue, a treatable illness, and that recovery is possible.

Recovery Month provides a platform to recognize all in recovery, including family, friends and the professionals who serve them. Individuals in recovery often go unnoticed by the broader population; therefore, *Recovery Month* provides a vehicle to celebrate and express gratitude for recovery with neighbors, friends, and colleagues. The observance also encourages citizens to take action to help

Rally Caps for Recovery Twins Game

Get your tickets now! There are only 150 tickets left and this event is sure to sell out!

This year MRC presents Recovery Works! 2010. As has happened for the last 10 years in Minnesota, part of our Recovery Month celebration includes a Twins baseball game. This year's Recovery Month Twins game event on Thursday, September 30 promises to be an even bigger and more visible event because of the new Target Field!

Our 2010 theme is "Rally Caps for Recovery." 1,465 seats are reserved in our prominent "rally" sections at Target Field (sections 329-334). Don Shelby will do a pre-game presentation around the hope of recovery, retired congressman Jim Ramstad will throw out a first pitch, and a mid-game announcement will recognize our group and invite all fans to show their support by putting on their "Rally Cap for Recovery" during the 8th inning.

To participate in Minnesota's "Rally caps for Recovery" event by purchasing tickets or becoming a sponsor, please contact Julia Parnell at 651-233-2080 or julia@minnesotarecovery.org.

Don't delay, tickets are first-come, first-served and will go fast! **Deadline for individual, group, and sponsorship orders is August 13, 2010.**

VOLUNTEER SPOTLIGHT

Making the Most of Opportunities

MRC volunteer Jim White is experiencing quality recovery after many years of trying to get sober. According to Jim, the key to his recovery is to "get involved." "I always wanted to do service work as part of my recovery, but in the past I never did. It feels great to be a part of something and to give something back," said Jim.

Jim is currently a volunteer in MRC's Telephone Recovery

Support program, where once a week he reaches out over the phone to others in the community who are seeking recovery.
